

Bretonnian Timeline

-1589	Phoenix King Caradryel recalls the High Elf armies from the Old World. Remaining Elf colonies see their departure as a betrayal.	2300	The country remains mostly untouched by the <i>the great Chaos incursion</i> , except for the northern coast which suffers from landings of Chaos marauders. Some, but not many, Bretonnian knights join Magnus the Pious in his fight against Chaos.
-1560	Dwarf-Elf war, terrible battle of Three Towers at the gate of Tor Alessi (now the port of L'Anguille). Dwarves are finally victorious.	2320	Brionne starts to be called the city of thieves.
-1501	Athel-Loren the Wood Elf capital is founded.	2402	Discovery of Lustria.
Around -1000	Arrival of the primitive Bretonni tribes from the east, settling all lands north and west of the Loren Forest.	2423	Discovery of the "New Coast" in the Southlands.
Around 0	Bretonni tribes battle against orcs and goblins.	2429	Marienburg Provincial Council declare the Wasteland's independence and secede from Empire. Battle of Grootscher Marsh deals decisive blow to Imperial designs. Emperor Wilhelm II recognizes Wasteland independence.
632-1960	Norse raids take place along the coast of the Sea of Claws.	2429	Accession of Charles I l'Énorme (Charles the Enormous). His reign will last for some 57 years and marks the beginning of Bretonnian degeneration.
977	Gilles le Breton of Gisoreux begins 70 years of dynastic conquests that lead to unification of Bretonnia under the reign of his grandson king Guillaume Barbenoire.	2450	A series of earthquakes destroys most of the town of Moussillon. Start of Moussillon's despair.
1125	King Louis IV Lefranc is defeated several times by the elves in Loren Forest. Pact of Salignac ends the conflict and concludes an alliance of sorts between Bretonnians and Elves.	2485	First serious uproars in Guisoreux.
1301	Marriage of Enguerrand le Fier (Enguerrand the proud), King of Bretonnia and Irène of Navarre. With the acquisition of Navarre, the Bretonnian kingdom reaches its current borders.	2486	King Charles the First badly ill must pass on the power to his son Charles II de la Dure. Charles II represses all protests in Guisoreux in the bloodiest manner.
1342-1347	Arabian invasion of the south of Bretonnia. Brionne falls. Roland de Chinon pushes the Arabian troops back to Estalia.	2492	War of the Succession of Bilbali. Modernisation of the Bretonnian army and navy under Charles II becomes apparent.
1500	Bretonnian knights take an active part in the crusades against Araby and the sultan Daryus-e-Quabir (also known as Jaffar).	2498	The building of the Oisillon palace is finally completed. The royal court moves from Guisoreux to Oisillon.
1597	Marienburg seized by Bretonnian army under Duc de L'Anguille. Occupation last five years.	2500	Death of King Charles II in joust at the Royal tournament of Couronne. Charles III, though aged 15, is not ready to rule. Eight year decadent regency of the Duke de Gascogne follows. Oisillon becomes famous in all the Old World for its lavish parties. Rise to power of the Shallyan Cardinal Dumourieux.
1952	Baron Henri d'Amateu of L'Anguille grants the Norseman Skajad the Bastard land in the Armorique region to end the Norse raids.	2508	Charles de la Tête d'Or ascends to the throne as King Charles III.
2232	Alliance of northern Estalian kingdoms invade and conquer southern Bretonnia.	2512	King Charles III celebrates his 27th birthday in great pomp in Oisillon, while Guisoreux' troubles resume.
2267	All provinces send troops to drive out the Estalian invaders.		
2274	Siege of Brionne results in the end of Estalian domination.
